Many thanks to Bollihope Estates for permission to use the area and to Peter Fawcett and Michael Gibbs the gamekeepers. Also to the Forestry Commission for allowing us to use the parking area.

**Planner's Comments** - *Rob McKenna*

I hope you all enjoyed your runs and judging from comments I heard at download it seemed most of you did (but how much did the weather play a part in this - wasn't it glorious).

The orange and yellow courses had to be kept in the forest as the Common is just too technical for them. Well done to Pippa Archer who managed to hobble round the orange on a pair of crutches, which is no mean feat given the marshy areas she would have encountered.

Planning the courses on the Common took a few goes to try to get you onto the better parts and on the whole the times seem about right.

Although the Light Green suffered a bit due to the technical restrictions for that course.

Thanks to all those who helped collect controls - it was much appreciated after a hard weeks work.
