NEOA Colour Award Scheme

Members of NEOA may purchase the relevant colour badge on completion of three NEOA events (one may be from outside the area), finishing above the colour line.

For further details, contact - Margaret Crosby

Email - nsoa@hotmail.co.uk

The Navigation Challenge:

BO members are eligible for a Navigation Challenge certificate after successfully completing 3 colour coded courses at the same Technical Difficulty (TD) standard. The certificates are 'star' based e.g. 1 star for TD 1 up to 5 Star for TD 5.

The Racing Challenge:

BO members are also eligible for a Racing Challenge certificate after successfully completing 3 colour coded courses (of the same TD) within the following times:

- Gold award - Participants time < Course length (km) x 12.5 mins
- Silver award - Participants time < Course length (km) x 15 mins
- Bronze award - Participants time < Course length (km) x 20 mins

Receiving Your Certificate

The certificates will be automatically generated via the results that clubs have uploaded into the BO website. They will be available for you to download via the members area of the BO website.

Planners comments - Rob McKenna

Many thanks for all turning up and supporting this event - I hope that you got something rewarding from it. The fine weather was certainly a bonus if not a bit too warm for those competing. The numbers are a bit disappointing for the amount of work required to put this event on - I am not sure why this was as I think that BAP is a really nice area to run on.

The Light Green times look a bit on the long side and it seems that some competitors on this course found the area quite a bit of a challenge - although some of the paths are a bit indistinct and difficult to follow if you don't know the area.

Well done to the competitors who ran the Norwegian course without a map (that is the way it is supposed to be ran - it is meant to encourage you to develop good techniques for 'proper' orienteering). The majority of the legs were fairly short, about 100-150m, but there were two long legs of about 750m which proved to be quite hard. Many thanks to Boris Spence for looking after registration and download, to Gary for organising, the Warren family (Julian, Debby, Barny and Saskia, who manned the start and lastly the small band of club members who collected in the controls.
