**BOF National Badge Scheme**

You may use these results for your badge awards.

When you have three similar standards, you may buy Gold, Silver, Bronze or Iron badges as follows:

Metal brooch badge	£1.50
Cloth badge	£1.00
Age or year flash	£0.40
Certificate	£0.30

Apply by sending a cheque made payable to BOF and a stamped addressed envelope (22 x 16cm) to:

S&V.Johnston, The Alders, Blencowe, Penrith, Cumbria, CA11 0DB

For more badge scheme details see BOF rules or contact the National Office for an explanatory leaflet.

**Officials:**

Organisers - Elisabeth Hale, Steve Owers

Planner - Stephan Green, Tricia Davies

Controller - Bill Hodgson (CLOK)

**Organiser's comments - Elisabeth Hale and Steve Owers**

Phew! Never again we said at the end of the weekend. Things certainly conspired against us even down to the weather on the Saturday. I shall not forget in a hurry visiting the nearest farm the day before to obtain water (after the cadet bowser was requisitioned for Gulf crisis two days earlier) to be told 'Sorry we're on spring water and that's nearly dry, you can have water out of the pond, that's what we give hte cows!'

The person hours that go into putting on an event are enormous: surveying, drawing, planning, controlling, making and erecting stiles, tracking down equipment, overprinting, bagging, on-the-day help, etc. - virtually all voluntary, so it is a pity we have two gripes regarding wall crossings and the manned control - see Malcolm McIvor's comments (planner day 2).

All handout pre-event information clearly stated limited badge entry on the day, so apologies to those who were disappointed, but if you want to be sure of a run of your choice then pre-enter.

Sorry again for the delays and many thanks to all the helpers.

**Planner's comments - Stephan Green**

Firstly, may I take the opportunity to apologise to all or the problems which caused starts to be delayed and I hope this did not spoil your enjoyment of the area too much. Thanks to all who stepped in to help me out on the morning. Black Banks is at its peak in orienteering terms (much of it is likely to be felled shortly) and I hope you took as much pleasure in the forest (sheltering from the vile weather) as I did earlier in the year when surveying.

**Assistant Planner's comments - Tricia Davies**

As assistant planner, I was responsible for courses G to Q, which included the colour coded ones. With the shorter courses, especially those for the juniors, my aim was to keep the runners in the forest for most, if not all, of their run. Given the weather conditions on the day, I hope this proved to be a popular decision! Black Banks is a very pleasant, run-able forest and I thoroughly enjoyed my trips there to plan during the sunny summer months. I hope the weather didn't spoil it too much for you and that you enjoyed your run. I would like to thank Bill Hodgson for all the help he gave, the NN members who helped at very short notice and Tim Goffe and his son who helped collect controls in again on the Sunday before their runs at Hamsterley.

**Controller's comments - Bill Hodgson (CLOK)**

I must apologise for delaying the start for one hour, but if it had not been for the sterling efforts of NN members the event might have had to be cancelled.

Black Banks is not a technical area but it is relatively bracken free, which is a nice bonus at this time of the year. I hope that you all enjoyed your runs in spite of the delay and the rather stiff breeze and dampness at times.
