**Organisers comments** – *Alex Whyte*.

I would like to thank the following people, whose tireless efforts enabled the event to run as smoothly as it did – the Brook family; Brian and Tricia Davies; Ken Frankish; David Gosling; Fred Gray; Stephan Green; Steve Owers; The Swales family; my better half, Janice; the two CLOK members who assisted on results and the other NN members whose names escape me at present.

Thanks must also go to the Forestry for allowing us access on Saturday as well; to the local constabulary for a few words of advice and to Don Smith for temporary promotion to the heights of assistant planners assistant.

Finally, I would be most happy if the family group who were mistakenly overcharged at registration, would accept my apologies for this error.

**Planner** – *Marc Roper*.

**Controllers comments** – *Don Smith (NN)*.

I was sorry that the planner was unable to be at the event because of illness to enjoy the reward of very favourable comments about his courses. Yellow and orange led the novice at every turn and harder courses got the best out of the available terrain. On reflection the blue could have had a second course perhaps a little longer whilst a brown would have been difficult to fit into the available terrain.

I hope that blue competitors were not too upset at not finding the North East's first 5 metre boulder!! It was agreed as a half metre stone but grew a little on transfer. Did you spot it....I didn't!

Thanks to Alex and his helpers for a well organised event, to Marc for his courses, and to Maurice for some vital last minute preparation. The superb weather was a bonus.
