Organiser's comments - Rob McKenna

Many thanks for all turning up and making this a fairly successful event, on what turned out to be a glorious day away from the JK's. Thanks also to Gary Russell for standing in as organiser on the day and to the small band of NN members for looking after you.

The longer courses were tough and testing but seemed to be well received. The aim of the shorter courses was to keep them on the Low Redford side of the Forest drive, which meant that the light green course was a little shorter than ideal.

Sorry for the delay with the final results, both myself and Boris (our resident EMIT expert) were away at the JK - this was the reason that there were no 'full' results available on the day.

Next NN events:

A series of Wednesday evening events

11.04.07 Hetton Lyons

18.04.07 Silksworth Sports Complex

25.04.07 Herrington Country Park

16.05.07 Chopwell Woods
