#### **NEOA Colour Award Scheme**

Members of NEOA may purchase the relevent colour badge on completion of three NEOA events (one may be from outside the area), finishing above the colour line.

For further details, contact Margaret Crosby,

Email: nsoa@hotmail.co.uk

#### The Navigation Challenge

BO members are eligible for a Navigation Challenge certificate after successfully completing 3 colour coded courses at the same Technical Difficulty (TD) standard. The certificates are 'star' based e.g. 1 star for TD 1 up to 5 Star for TD 5.

## The Racing Challenge

BO members are also eligible for a Racing Challenge certificate after successfully completing 3 colour coded courses (of the same TD) within the following times.

Gold award - Participants time < Course length (km) x 12.5 mins Silver award - Participants time < Course length (km) x 15 mins Bronze award - Participants time < Course length (km) x 20 mins

## **Receiving Your Certificate**

The certificates will be automatically generated via the results that clubs have uploaded into the BO website. They will be available for you to download via the members area of the BO website.

### Officials:

Organiser - Boris Spence Planner - Gary Russell

Controller - Rob McKenna (NN)

### Organiser's comments - Boris Spence

Many thanks for all turning up to support this event. What a glorious day, if not a bit warm for those running. Whilst checking the controls before the event, one control had to be replaced (199 for 182) and although the computer was updated your splits printout will still show 199

We are grateful to Mr Wrangham of Harehope Estates for our continued use of the area, to Phil Harkness the Estate farm manager and to Natural England for dispensation to use a designated SSSI area.

# Planner's comments - Gary Russell

I took over the planning role from Rob fairly late, when the club struggled to get a suitable controller for the event. Work commitments and some recent health issues have hampered my progress with the planning procedure. My thanks to the small band of club helpers who stayed behind to make control collection a lot easier.

### Controller's comments - Rob McKenna

In general the winning times look about right given the warm conditions on the day. There were some tired and de-hydrated looking competitors at the finish and competitors on the Short Green course seem to have suffered unduly for some reason, but some favourable comments were given. In retrospect, the Blue course could also have done with being about 1 km shorter.

It is difficult to avoid the heather and I had thought that competitors may have benefitted from a 'heather screen' to make a more informed route choice, but time constraints meant that the map couldn't be updated for this event.

The late appearance of a number of 'sheep pens', some very close to a few of the controls took me by surprise when I was checking controls as they were not there when checking control sites a week or so ago sorry if these detracted from the enjoyment of your run.
