Key : m - missed, w - wrong, f - controls found.**Organisers comments – Karen Blackburn**

Organising an event in December is always a gamble with the weather. On the day we were lucky and it was not too cold or wet, so the winning times for some courses were quite fast. Planning was complicated by recent forestry work, and a wish not to send the shorter courses out onto the fell. Thanks go to Mr Simpson, Head Forester, and his staff for their help; the shooting tenants and Mr Fawcett, Head Gamekeeper, for permission to use the fell land; Peter McKenzie for his help as controller, and members of Northern Navigators who willingly helped with advice and at the event.
