Organiser : Don Smith, tel: 01661 842822

Planner : Dave Caudwell

Controller : Patrick Aynsley Smyth (BAOC)

Organiser's comments - Don Smith.

Thanks to all competitors for supporting this event and to the many club helpers in making the event run smoothly. Apologies for the lateness of the results, but the new Junior Pilot Scheme has caused a few problems, particularly with calculating badge times. The decision to remove the last control on all courses was taken at the last moment due to the severe wind conditions during the previous night making the control inaccessible and dangerous. The wind had caused damage in other places, which could be noticed by the unusual (for Kellas) amount of debris on the forest floor. Thanks must go to Dave Caudwell for clearing a path into some of the controls affected. I hope that you enjoyed your runs, as due to ongoing forestry work, this may be last time we use Kellas for orienteering.

Controller's comments - Patrick Smyth.

It is a pity there were so few competitors for the event in what is probably the best forest in the North East. As a result I have had to calculate a few of the senior badge times from other classes. Apparently a few competitors were not told of the removal of the last control by the start team. Apologies to anyone who felt hard-done-to.
