

BOF National Badge Scheme

You may use these results for your badge awards.

When you have three similar standards, you may apply for a Gold, Silver, Bronze or Iron award as follows :

Metal brooch badge	£1.50
Woven cloth badge	£1.00
Age or year flash	£0.40
Certificate	£0.30

Apply by sending a cheque (payable to BOF), and a self addressed stamped envelope (22x16cms) to :

S & V. Johnston,
The Alders,
Blencowe,
Penrith,
Cumbria,
CA11 0DB

For further details see BOF rules, Compass Sport, or contact BOF National Office for an explanation leaflet.

NEOA Colour Award Scheme

Members of NEOA may purchase the relevant colour badge on completion of three events, finishing above the colour line (one may be from outside the area).

For further details, contact :

Margaret Crosby (0191 2685449)

Future Events :

Organisers comments – Frank Major

This was a double act, with Patrick having completed all the hard work, leaving me as the day organiser.

With a small, but high-powered turn out and the NN machine ticking over with its usual efficiency, my job was limited to organising the toilets. A call to John Crosby and Grahame Rose produced the resources, with the Crosby kit withstanding the blustery conditions for long enough.

As ever, it was a pleasure to work with the NN team and a delight to see so much post operative analysis - always a good sign in my view.

I hope you all enjoyed David's thoughtful courses and Bewick Moor almost at its best - why not tell everybody that the area is both challenging, scenic and worth the extra few miles!

My thanks to all those who contributed their time for our enjoyment.

Planners comments – David Brook

I hope that you all enjoyed the courses - those I talked to at the finish seemed to have done so. I am glad we were able to provide a fine day; the only disappointment was the very low turnout.

Bewick Moor provides fast running and straight line routes are usually best, so the main challenge is accurate compass work and rapid control finding. In the good conditions, some fast times were recorded and there were a number of close finishes. Only three competitors failed to complete their course and winning times were about what I had planned for. Any feedback on the courses would be most welcome.

I would like to thank various people for making my job easier. Dave Caudwell for his excellent map; Patrick Smyth for checking my courses and offering some good advice; Tricia Davies for stepping in as assistant Controller, with responsibility for checking the siting of controls and other last minute details; other club members who helped with preparing map units, putting out controls and the particularly thankless task of collecting them in afterwards.

David Brook (e-mail: david.brook@ncl.ac.uk)

Controllers comments – Tricia Davies

Having been asked at the last minute to stand in as controller over the weekend, it did not take much persuasion - knowing that I was working with an excellent map from Dave Caudwell and meticulous planning by David Brook.

The resulting tasks of control checking and other last minute checks proved to be a pleasure - what a wonderful area this is. I hope you enjoyed your courses as much as I enjoyed working on the area, the weather of course being an added bonus. It is a pity that so much effort went into a badge event which proved to be so poorly attended, but hopefully those that did turn out felt that it was a quality event well worth the effort.
