**Organiser / planner's comments** - *Dave Caudwell*

I hope you enjoyed the run round this new area. Although lacking in technical challenge, I think it will prove to be a good addition to the Great North Forest areas we have, because it will remain pleasant to run in when some of our other areas are covered in head high bracken and brambles. Also, when the new plantations are no longer out of bounds, they will present a different challenge.

No-one reported being attacked by lapwings (or anything else), the weather was good, and I got home to see the second half of the England match! A very satisfactory evening, I think.

Incidentally, the map (only very slightly modified) is to be given to all who attend the Durham County Show held in the Park on July 12th/13th. What they'll make of it, I've no idea.

The next NN, Great North Forest event is at Houghall Woods, an old area but with a new map, on 25th June. Parking is at the Graham Sports centre just off the A177 Durham City to Stockton road at grid ref NZ 284413. Shortly afterwards is a limited CC event using electronic punching at Bishop Auckland Park on SATURDAY 28th June. Further details of both events can be found on the NN Website soon.
