Organiser / planner's comments - Rob McKenna

Many thanks for all turning up on what turned out to be a beautiful day in the forest.

It was nice to see so many new faces (particularly the young families) to the sport and I trust you all gained something from the experience and would like to try it again.

One control was vandalised early on in the day but I hope this didn't spoil the enjoyment of your course.

If you feel that your time is wrong and you know what time you did then let me know and I will update the results.

My thanks to Kath Ivens and Boris Spence (registration) for their invaluable help, to Gary Russell and Daniel Blacklock (control collecting) and to Liz and Geof Searle of the Friends of Chopwell Wood for the use of the Forest Classroom.
