Organisers comments - Boris Spence

Many thanks for turning up and supporting this event, which I hope you enjoyed - the weather was a particular bonus. We are grateful to the generosity of the two land owners - Mr Beattie and Mr Robson for the use of their land. The recent sale of The Cragg Estate and loss of permission to use that part of the area due to shooting commitments was the reason that this event had changed to a Middle distance event and I hope that you were not disappointed with the courses.

Planner comments - Gary Russell

to follow

Controllers comments - Rob McKenna

Well done to Gary for producing some interesting courses at short notice. Some of the winning times are a bit on the long side, but courses were planned around an elite M21 competitor with a running speed of about 5 mins/k (times achieved at recent BRC), perhaps more controls and constant change of direction influenced the final results.

NEOA Colour Award Scheme

Members of NEOA may purchase the relevant colour badge on completion of three NEOA events (one may be from outside the area), finishing above the colour line.
