Organisers comments – Don Smith

I would like to thank all club members for their support and help with the two days at Chopwell. The planners especially had an increased work load when the event became a CompassSport Cup match. Rob McKenna took on the colour coded event and Eric Stamp, with archive materials re-planned the celebration event. We hoped for more runners on the Saturday, but one can never predict the interest in this type of event. Those who did certainly found the experience worth Eric's hard work.

Saturday's competitors will also find a full results set from the 1972 Northern Champs.

Thanks also to Patrick Smyth for controlling the event and help in setting the colour lines, which look a little distorted due to the CompassSport Cup entry.

Congratulations to CLOK for reaching the next round.
