**Key:** m - missed, w - wrong, f - found.

**Officials:**

Organisers - Frank Major, Simon Watts

Planner - Michael Knight

Controller - Alan Morgan (NN)

**Organiser's comments** - *Frank Major.*

Plenty of pre-event publicity provided by the club, Sunderland Borough Council, local press and Radio Newcastle coupled with bright sunny weather encouraged a turnout of about 220 people. Of this number 175 registered to participate, 78 of whom were juniors.

The organiser considers that the effort was worthwhile after all. The considerable pressures on the organising team, to have everything in readiness for the Mayoral opening of the permanent course yielding up the right results.

I should like to thank my co-organiser, Simon Watts for last minute hyper-activity making sure we had the right gear in the right place; to Alan Morgan and Mick Knight for controlling and planning and ironing out a few wrinkles in the permanent course and to all other club members without whose generous co-operation the event could not have been staged.

Thanks must also go to the Mayor and Mayoress of Sunderland for performing the count down to start the Action for Sport team, to Paul Gowan and Steve Walker of the Borough's Leisure Services Department for their 'no problem' approach and especially to Fred and Stuart for positioning the PC markers.

Finally, apologies to those of you who forgot to bring your red pens and to those PC competitors who, most regrettably, took the start to be that shown on the PC map and not the event start. This should have been pointed out, but congestion at registration caused communications problems!
