**Organisers comments** – *Eddie Leadbitter*

I was rather disappointed when only two of the helpers contacted turned up on the day. Without the help of the six army cadets, who did a splendid job, Elizabeth Hale who stood in as starter and Steve Owers (controller) who manned the finish, we would have had problems.

**Planners comments** – *Elizabeth Hale, assisted by David Hale*

Firstly, many thanks to the Bishop for the use of his garden.

It was good to see so many new and young faces and hope you all enjoyed this small but lovely autumn tinted park. It's ideal for beginners and those with limited experience and I was pleased to see most completed successfully. By 2 o'clock everything was cleared away – not a single piece of litter was left and the only signs that about 160 orienteers had passed by were the stud marks in the dust and mud.

**Controller** – *Steve Owers*
