Organisers comments – *Julian Warren*

This was my first experience of organising a badge event and even with the small entry it was still a headache.

My apologies for teh debacle which early starters experienced, caused by the two wayward horses bent on disrupting things. They even took a bite out of teh finish tent (it must be all those lonely hours spent on the fells). Thanks to all those who helped on the day especially those who gave up their runs.

Controllers comments – *Alasdair Wilson-Craw*

Some adjustment was made to the badge times on courses where there were only a few runners.

Thanks to the organiser and especially the planner for making my job easier.

Organiser – Julian Warren

Planner – Dave Caudwell / Tricia Davies

Controller – Alasdair Wilson-Craw (NATO)
