**Organiser / planner's comments** - *Rob McKenna*

Many thanks for all turning up - I hope you enjoyed the area and the courses.

Tunstall can be very fast (as proven by Ed - sub 5 minute k's) and has some very nice features and fabulous views, but this is marred by the constant threat of vandalism by the local youths.

I tried to minimise the risk to the courses by triplicating the control site marking, but even this was thwarted at control 7 on map 2. One other site had its card removed - number 8 on map 3. I hope this did not spoil your run.

If anybody would like a copy of their part 1 map, I will bring them along to the next Wednesday evening event at Bolam Lake.

Please note the change to the parking area for Princess Anne Park - it is now NZ 303557, not as shown on earlier GNF fliers.
