Organiser's comments - *Ken Frankish.*

It was good to see many new faces on Sunday morning. The weather was kind and from comments received after the event, most people appeared to enjoy it.

All the newcomers deserve a prize but the best must go to the two people who were not content to copy down the easy code of say, BA or DP, but had to write 'PLEASE DO NOT REMOVE!'. Notice I haven't divulged which sex or which course they were on so as to respect their anonymity!! If newcomers require more information about the club please contact:

Pat Redhead, 41 Stuart Gardens, Throckley, Newcastle

The event was successful due to the excellent help received. Mick Knight planned three very good courses which were well 'controlled' by Bob Johnson; Margaret Knight dealt single handed with registration; Lynne Johnson and Anne Frankish made sure everyone got off on time and Graham Johnson and Adam Frankish looked after the finish. Thanks go them all as well as Sunderland Borough Council for once again letting us use their park.
