Weather the weather be calm,

Weather the weather do blow,

Weather the weather is rain,

Weather the weather is snow,

Whatever the weather, we'll weather the weather,

And go out and do our 'O'

Fine(!), but why does it always rain on Wednesdays?

Silksworth is not a 'technical' area but can offer a 'good run out', I hope you enjoyed the exercise. Four controls suffered from vandalism (and two road signs were stolen) spoiling some courses – control 'B' (marsh) was spotted floating in the lake but it has been deemed 'not essential' to have visited that control.

My thanks to Bob McKenna for taking over registration and to Patrick Smyth for his help with control collection.
