Organiser's comments - Bob Cooper

The club is most grateful to the two landowners, Mr.D.Robson and Mr.J.Leiper, for their kind permission to use the land. Thanks are also due to club members, who willingly gave their help in making what was, hopefully for everyone, a successful and enjoyable event. Extra planning for the event was required, arising from its use as a Compass Sport Cup fixture, and the willing co-operation of club members was much appreciated.

Planner / Controller's comments - Tricia Davies, Andrew Philipson

What started out as a fairly low-key event, became a CompassSport Cup match, with a full range of courses at the last minute. Shaftoe Crags is a good area with some complex rock detail, but unfortunately it is restricted in size. In addition, the number of walls and selection of crossing points, limit route choice. This generally affected the longer courses which resulted in a need for second master maps and repeated crossing of the area to achieve the desired course lengths. I hope you all enjoyed your runs - the weather proved to be much better than forecast and the rain held off until we were collecting in the controls. Courses were planned in the snow and I'm sorry you messed the spectacular icicles on the outcrops. The end of the Green course would have been less muddy, had the ground still been frozen! My apologies to everyone who was adversely affected. My thanks to everyone who helped collect in the controls and with other tasks.
