Key: m - missed, w - wrong, f - found.

Officials:

Organiser - Boris Spence
Planner - Debby Warren, Dougie Nisbet
Controller - Rob McKenna (NN)

The colour line

As a guide, competitors completing three courses of the same standard and finishing above the colour line should have gained enough experience to move up to the next colour standard.

The Navigation Challenge

BO members are eligible for a Navigation Challenge certificate after successfully completing 3 colour coded courses at the same Technical Difficulty (TD) standard. The certificates are 'star' based e.g. 1 star for TD 1 up to 5 Star for TD 5.

The Racing Challenge

BO members are also eligible for a Racing Challenge certificate after successfully completing 3 colour coded courses (of the same TD) within the following times.

Gold award - Participants time < Course length (km) x 12.5 mins

Silver award - Participants time < Course length (km) x 15 mins

Bronze award - Participants time < Course length (km) x 20 mins

Receiving Your Certificate

The certificates will be automatically generated via the results that clubs have uploaded into the BO website. They will be available for you to download via the members area of the BO website.

Organiser's comments - Boris Spence

Thank you to the club members who helped ensure a successful event. The registration team, start team and of course the control recovery team all worked extremely hard resulting in a straightforward event and clearance of the area.

Mr Famelton the local farmer could not be more helpful and he remarked on how impressed he was on the professional and polished way we as a club used his land.

Planner's comments - Debby Warren

I enjoyed planning at Fontburn, particularly my visits in the beautiful autumn sunshine that preceded the event. Sorry you missed it on the day. I hope you enjoyed the courses; it is a nice runnable area so hopefully this made up for the lack of technical challenge.

Finally, thanks to Dougie Nisbet for his support, his company on site visits and comments on the courses.

Controller's comments - Rob McKenna

Well done to Debby on planning some well received courses on a small and somewhat featureless area in places. Looking at the winning times, I think she managed to use the area well as the tussocky grass can be a bit hard going in places. I believe that the Short Grass was kept to the east of the area mainly for that reason. It's a pity the weather had deteriorated, but the earlier warmer weather may have also proved uncomfortable.

Acknowledgments

Many thanks to Mr Famelton of Newbiggin Farm for kindly allowing us to use his area.
