Organiser - John Willis
Planner - John Maguire
Controller - Alan Morgan (NN)

Organiser's comments - John Willis

My thanks to all the people who helped on the day. Conditions were less than ideal, especially at the finish, but all helpers remained cheerful and without them there could have been no event. Thanks also to all competitors - there were more than expected - who despite the drizzle and mist and confusion with self registration seemed to enjoy the morning. My first real attempt at organising an event was not without problems but the experience has been useful.

Planner's Comments - John Maguire

The orienteering at Shaftoe is never going to be very technical, but never the less, it is a fine, runnable area in which to hold an event. The weather added a little spice to the courses which were generally well received. Thank you for turning up and for your comments. Thanks to Alan Morgan for his help and advice. A lot of the pleasure of the event for me was having the benefit of his experience and wisdom.
