Organisers comments – Maurice Swales

It was a beautiful day at Princess Anne Park – a bit hot for running, perhaps, but at least the undergrowth was all nice and dry. The vandals we expected didn't materialise. Everyone seemed to enjoy themselves – we hope to see you all again at future events.

There was some doubt about the position of control 7, on a knoll. Several competitors reported it missing, though 10 found it. Because of the uncertainty over this control, it has been decided to credit it as a correctly visited control for those who reported it missing.

Thanks go to – The River Wear Festival; The Borough of Sunderland; Bob Johnson and Jan Whyte for valuable assistance; and to all the competitors, for making it worthwhile.

The planning, controlling and organising team was Alex Whyte, Michael Knight, Margaret Knight and Maurice Swales.
