no - card number, f.no - finish number

Organisers comments - Boris Spence

Many thanks for all turning up to support this event - with your generous donations, we managed to raise a total of £215 which will go to the Yellow Brick Road Charity Appeal.

I hope you all enjoyed your runs on what turned out to be a pleasanter day in the forest than at the start / finish - it could have been worse as I believe that snow had been forecast.

Again there were a few new control sites that may have taken you to unchartered areas of the wood - hope you enjoyed these.

We had thought of grading the points for some of the controls to make it more interesting, but in the end went for the easier organisational option - maybe next time.

Sorry for the missing information in the results, we can only publish what is on the cards - unfortunately 'tyvek' proved to be a bit difficult to write on for some.

Well done to David Sprot, putting in another good performance, though not quite getting all the controls this time.

For those who are interested his route was as follows:

11,8,12,13,16,17,20,21,22,23,19,18,15,14,27,24,26,25,30,29,28,3,2,1,4,5,6,7,10 - missing out on number 9. Works out at about 9.1km with over 300m of climb.

He thought that getting them all was achievable and only poor route choice hampered his final efforts near the end.

His older brother, Michael, did get them all but had a lot more time penalties.

If you would like your route published or feel that your time, number of controls or details are wrong then drop me a line (borisspence@aol.com).
