Organiser's comments - Jem Wilcox

Christmas comes but once a year - does it always have to be the day before Boxing Day? It really interferes with the time which can be spent on the Chopwell Wood score event!

The lack of the advertised 45 minute score using the original 25 year old map was due entirely to lack of time available to produce master maps for it. My apologies to anyone who was disappointed by the omission.

I hope that everyone who ran using the modern map and those who attended the social at the Bute Arms all enjoyed the day.

Thanks go to everyone who lent a hand on the day and special thanks to George Rose for planning the course and also the annual quiz, to Eric Stamp for organising the social and the buffet, to John Crosby for providing toilet facilities, and to Grahame Rose for doing the finish and the results.

Thanks also to all who took part - the charity to benefit this year is the Newcastle Dog and Cat Shelter which is undertaking an expansion programme. The exact amount will be determined when all levies and expenses have been paid but you can be assured of the gratitude of some Geordie muts and moggies!

Planner's comments - George Rose

So, Hopefully this will be the last Boxing Day score event that I plan. I'm Happy that it went okay, with no problems over control sites and course length. Maybe next year somebody will get the course completed. Not much can be said except that I was glad so may people helped to collect controls, if only they were there at half eight to put them out. For those that went to the social I hope that the quiz wasn't too difficult. Lucky those were the easy questions eh?
