Organisers comments – Redhead family

What a day! What a day! It was fantastic to see so many hardy orienteers going into the forest. We recognised the regulars of course, who in spite of the change of Christmas venue from Chopwell, still managed to turn up – even if only to have a car wash! To the non-regulars – thanks for coming and be assured it is not always like that, (we've never had a day like it at our Christmas event). We could not go to Chopwell this year because the forest is to be used for a badge event on 17th April 1988, the map is being up-dated so please come along.

Doing the results was a real challenge with so many lumps of papier-mâché we had to give you all the benefit of the doubt, however the winners are correct and well done to them under the conditions. All things being equal, we should be back in Chopwell next Christmas – we may even have Tyvek cards! Again, thanks for your support, have a good New Year.

Planning – Peter Redhead

Organiser (and everything else) – Pat Redhead

Ken Redhead – blew the whistle!
