| 8. M Adamson | M60 | CLOK | 57:45 |
| 9. F Miller | M50 | NATO | 65:26 |
| 10. A Lumb | M21 | NATO | 76:24 |

Key: m - missed, w - wrong, f - found.

Officials

Organiser / planner - Dave Caudwell

Organiser's comments - *Dave Caudwell*

Thanks for attending the event on what turned out to be a very pleasant evening (for a change?) in Sun City.
I can confirm that control 8 on the Medium (and Long) had been moved from its correct position during the event, so those of you who said that the control description should have been "S copse E part" were correct, because that is where it finished up, as were those who said the control was gone, but the red tapes were still there.
