Controller - Rob McKenna (NN)

Organiser / Planner's comments - Barry Young

Thank you very much for the support today. There were one or two problems with control locations, which were corrected before we got started and an issue with one of the local residents (which I think has been defused).

It was an entry of around 75, but a surprisingly low turn out on Blue and we ran out of Yellow and Orange maps. I don't think there were any major issues from competitors and the only comments seemed to be about path running, which is almost inevitable at Chopwell. However, one of the EMIT boxes (159) did prove a bit unreliable.

Controller's comments - Rob McKenna

Well done to Barry for taking on the role of both organiser and planner at very short notice and producing some good, well received courses - not bad for a relative novice. Control 159 failed during the event and I have re-instated those competitors affected.

Many thanks to Phill and Lorraine for taking over the registration and download and also for trialling the live results system.

NEOA Colour Award Scheme

Members of NEOA may purchase the relevant colour badge on completion of three NEOA events (one may be from outside the area), finishing above the colour line.
