The colour line

As a guide, competitors completing three courses of the same standard and finishing above the colour line should have gained enough experience to move up to the next colour standard.

The Navigation Challenge

BO members are eligible for a Navigation Challenge certificate after successfully completing 3 colour coded courses at the same Technical Difficulty (TD) standard. The certificates are 'star' based e.g. 1 star for TD 1 up to 5 Star for TD 5.

The Racing Challenge

BO members are also eligible for a Racing Challenge certificate after successfully completing 3 colour coded courses (of the same TD) within the following times.

Gold award - Participants time < Course length (km) x 12.5 mins

Silver award - Participants time < Course length (km) x 15 mins

Bronze award - Participants time < Course length (km) x 20 mins

Receiving Your Certificate

The certificates will be automatically generated via the results that clubs have uploaded into the BO website. They will be available for you to download via the members area of the BO website.
