NEOA Colour Award Scheme

Members of NEOA may purchase the relevant colour badge on completion of three NEOA events (one may be from outside the area), finishing above the colour line.

For further details, contact : Margaret Crosby (0191 2685449)

Organisers comments – *Bob Cooper*

After the mid-week snow it was a relief and a pleasure to see the fine, sunny weather on Sunday – the 'BEWARE ICY CONDITIONS' notice (prepared in advance, of course) was not needed!

The willing manner in which club members responded to requests for help was gratifying and I thank all those who assisted on the day to make what I trust was an enjoyable event for all participants.

Thanks are also due to Sunderland Leisure and the Woodland Trust for permission to use Sir James Steel Park.

Planners comments – *Kelvin Wheeler*

This was my first attempt at planning an event and Frank's controlling hand was much appreciated. It was a very enjoyable experience apart from underestimating the time needed to put out all the controls on the Sunday morning. Otherwise, there did not appear to be any real problems.

Controllers comments – *Frank Major*.

It was a great pleasure to work with Kelvin. Sir James Steel Park may not offer the greatest of orienteering challenges but there are a few reasonably technical areas and quite a few thorny problems which force you to take decisive action. Kelvin's course planning made effective use of the area and gave competitors freedom of choice. Many thanks Kelvin.

We were blessed with good weather, no vandalism and welcomed quite a few new faces. Let's hope we see you all again – perhaps at Chopwell Woods on Boxing Day.

Organiser – Bob Cooper

Planner – Kelvin Wheeler

Controller – Frank Major (NN)
