Organiser's comments - Rob McKenna

Many thanks for all turning up on what turned out to be a perfect day in the forest. It was nice to see so many new faces (particularly the young families) to the sport and I hope you all gained something from the experience and would like to try it again.

We were caught out again by the numbers who turned up all at the same time which lead to some confusion at registration.

Sorry if the results seem a bit scant, but I can only record what was written on the control cards - hope you can spot your name amongst these - if not or if you feel that your time is wrong and you know what time you did then let me know and I will update the results.

Thanks to Don Smith (registration) and Bob Cooper (start / finish) for their invaluable help and to Liz and Geof Searle of the Friends of Chopwell Wood for the use of the Forest Classroom.
