The numbers under each course heading denote:

xxx - the number of points scored on that particular course

(x) - the number of club scorers contributing to the sub-total

"+" - denotes a tied score for the last 'counting' place,

(they will not all be counted in forming the club's course totals)

Organiser's comments - Rob McKenna

Many thanks for all turning up on what turned out to be quite a wet day, but all the same a lot better than forecast during the week.

Most competitors appeared to enjoy the courses despite the poor weather. The competition appeared to go without major problems and thanks must go to the planner, Dave Caudwell, for his well received courses and excellent map. Also to the controller - Ray Barnes, for his meticulous attention to detail and help and guidance in the run up to the event. Control collecting was a bit of a nightmare due to the event being so early in the year and most of the controls were retrieved in the dark so many thanks to the small band of club helpers, whose help and assistance on the day made the event run smoothly.

Congratulations to the winning teams - SYO and BL and I also believe that WCOC may have made it through to the final.
