Thanks to the Friends of Chopwell Wood and the Forestry Commission for allowing us to use the Forest Classroom for a base. Thanks also to you, for attending the event on what turned out to be a glorious day, although probably a bit too warm for serious orienteering.

It was nice to see so many new faces and judging by comments at the finish you all seemed to enjoy the day out.

I must apologise for the apparent disorganisation at registration - the numbers turning up on the day caught us a bit by surprise and we could really have done with a few extra helpers from the club to point some of those that needed help in the right direction. If all beginner's events were so well attended the club may be persuaded to stage a few more. There was one error that crept into the proceedings - number 156 ended up as 146 sorry for the confusion.

If you feel that your time is wildly out then please let me know.
