The Navigation Challenge:

BO members are eligible for a Navigation Challenge certificate after successfully completing 3 colour coded courses at the same Technical Difficulty (TD) standard. The certificates are 'star' based e.g. 1 star for TD 1 up to 5 Star for TD 5.

The Racing Challenge:

BO members are also eligible for a Racing Challenge certificate after successfully completing 3 colour coded courses (of the same TD) within the following times:

- Gold award - Participants time < Course length (km) x 12.5 mins
- Silver award - Participants time < Course length (km) x 15 mins
- Bronze award - Participants time < Course length (km) x 20 mins

Receiving Your Certificate

The certificates will be automatically generated via the results that clubs have uploaded into the BO website. They will be available for you to download via the members area of the BO website.

Organiser / planner's comments - Barry Young

Thank you very much indeed to all who were able to give their time to help at this event - especially to Rob for all the hard work he has put in over the last few days.

I think the event seemed to go well, with over 100 competitors (quite a few more than we expected as we ran out of maps on 3 courses).

It was also good to get back to the area following delicate access restrictions with the local warden over the last 2 years.

Rob's adjustments to the map opened up a few more areas / options, as well as adding the link to Buck's Hill wood.

It was also great to see so many youngsters out there today.

The feedback seemed to be positive, although a few seemed to have trouble manhandling the pin punches. Fortunately, the biggest fear, that controls would be removed, was unrealised as Boris's early sweep of the area on the morning of the event confirmed that they were all still in place.

Controller's comments - Rob McKenna (NN)

Barry's courses seemed to be well received and winning times on most of the courses look about right. There were expected problems with the punching system and I have been quite lenient when checking cards. I hope that you didn't find this rather old fashioned use of equipment too arduous, but the use of standard kit is just not really feasible on this area. I hope you all enjoyed the event and there is one more possible extension to the map for next time.
