Planner's comments - Rob McKenna

It's a pity that this type of event does not attract more competitors as it makes the Championship status look a bit ridiculous with nobody to compete against. Never the less, congratulations to the class winners and I hope you all enjoyed your runs on what turned out to be a perfect night.

Certificates will be available shortly - I will try to catch you at some future event.

Thanks to Boris Spence for providing the generator and to Don Smith for setting up registration.
