Organiser's comments - Julian Warren

I have to admit that I was a little daunted by the prospect of organising my first event. However, on the day the sun shone, competitors arrived in great numbers (in some part due to the CompassSport Cup match between PFO and RR) and everything went smoothly, apart from the provisional results. My apologies for the chaotic display of the provisional results and to the younger competitors who were expecting a string course, I hope that these oversights did not spoil your day. Finally, I would like to thank the planner - David Hale, the controller - Dave Caudwell and all the helpers who gave of their time and without whom this event would not have been possible.
