NEOA Colour Award Scheme

Members of NEOA may purchase the relevant colour badge on completion of three events, finishing above the colour line. For further details, contact Margaret Crosby (0191 2685449)

Officials:

Organiser - Elaine Morgan
Planners - Maurice Swales, Peter Smith
Controller - Alasdair Wilson-Craw (NO)

Organiser's comments - Elaine Morgan.

This was my first attempt at organising an orienteering event, which turned out to be somewhat larger than the average NE badge event. This was a bonus for NN as it made all our hard work all the more worthwhile, and it demonstrated that the efforts of promoting orienteering in our region are being realised. I also recognise the fact that many people were travelling south after the JK in Scotland. However, the higher numbers caused some hiccups, but none that could not be overcome. The event was certainly an education for me. There were quite a few comments regarding the lack of toilets. Believe it or not, NN do not own a toilet, simply because we normally have no need for one! Sunday did perhaps stress the need for some facilities at future large gatherings. I must congratulate Maurice Swales and Peter Smith for planning some excellent courses and thank Alistair Wilson-Craw (NO) for controlling the event. I would like to say a big thank you to my parents, Alan and Eileen Morgan, who supported me throughout the organisation and the brilliant team of helpers who made sure everything ran smoothly - some of them foregoing a run because of the large turnout. Pat Malley deserves a mention (she knows why!) and Don Smith, whose computer saved me a lot of work with start sheets, timing, provisional result labels and processing the results. Finally I hope you all enjoyed running in Kellas. It is a beautiful area and at the end of the day I felt a slight urge to venture into the forest myself!

Planner's comments - Maurice Swales and Peter Smith.

Firstly my apologies to all except one of the people who had to wait quite a while before they could start. This was largely due to the choice of class combinations and my guesstimates of the likely number of competitors on each course. Variations are difficult to avoid at EOD Badge events but should not arise at the pre-entry October Odyssey. I hope you still enjoyed your run. It was pleasing to see so many competitors, especially those from the opposite end of the country! Comments seemed to indicate that you enjoyed your runs, perhaps due more to the nature of the terrain than the efforts of Peter Smith and myself. At least three people marked the wrong clearing on courses F+H, but the master maps were correct. As far as I am aware our only problem was the failure to notice that the route to and from the 2nd master maps on course H was a dog leg. Sincere thanks to Don and Chris for their help in setting out controls and to Dave, Malcolm, Graham, Stephan and Chris for helping to collect them in again. Finally thanks to Alistair and Elaine for controlling and organising respectively. Their friendly help and guidance made our task much more enjoyable.
