Organiser's comments - Rob McKenna

The weather was cold but quite pleasant and sunny in the open. Plans to ease the load at the finish didn't quite go as expected and some times could only be recorded in one minute blocks. A few competitors managed to collect all the controls well within the given time limit of 60 minutes but well done to David Sprot who won the event in under 45 minutes.

Many thanks for supporting this event and with your generosity we have managed to raise **£220** which will be donated to St.Clares Hospital, Jarrow.
