**Organiser's comments - the Rose Family**

A good event thoroughly enjoyed by all! Thanks to all those that made the social such a success. This year all proceeds from the event will be donated to the Children's Heart Unit Fund at the Freeman Hospital. We think that this is the last time that the Rose family is doing the Boxing day Score for now. So, thanks to all those who have given us their help and support over the last three years.

**Planner's comments - George Rose**

This year I tried again to find some new control sites, alongside the Boxing Day regulars such as the Holly tree. Unfortunately this was the first year when the woods had undergone noticeable extraction, so yeah the map corrections aren't just ditches now. Sorry about the lack of map corrections on the day! Happy '97.
